IDE

VS Studio | Eclipse

Version Control

Git/GitHub

SKILLS

Project Management | Communication | Problem-solving | Teamwork

EXPERIENCE

Learning Program Designer | Frankfurt School of Finance & Management | Frankfurt Germany | Nov. 2021 - Oct. 2023

- Collaborated with product owners to design learning technology-based programs for international partners, benefiting over 3,000 users globally and increasing worker engagement by 30%.
- Implemented gamified web-based learning programs in HTML5 for cross-platform usage across 20+ international companies, resulting in a 20% increase in their training ROI.
- Utilized Figma to create dynamic user interfaces and storyboards, enhancing user experience and reducing project timelines by 50%.

Consultant – Safeguards Training E-learning| Internation Atomic Energy Agency | Vienna Austria | May. 2019 – Dec. 2020

- Collaborated with project managers to design and develop web-based learning program components for a supply chain management system in nuclear energy, reducing travel expenses by 40%.
- Enhanced workflow and efficiency by optimizing the LMS database to include ready-made answers to technical queries, resulting in a 50% improvement in response time.
- Participated in agile development processes, actively contributing to sprint planning, stand-up meetings, and retrospectives, which promoted the implementation of interactive and user-focused digital learning frameworks.

E-learning Developer| Freelance| Germany| Aug. 2020 – Jan. 2021

- Developed mobile responsive learning products, and enhanced e-learning platforms for small and mid-sized companies reducing operational expenses by 50%.
- Utilized figma, Adobe Creative Suite (Photoshop, Illustrator, Premiere Pro) alongside HTML frameworks, and JavaScript to design interactive, client-directed learning modules and multimedia assets.
- Served as an external LMS assessor and configurator, optimizing learning paths with database, improving efficiency, work-life balance, and reducing workload by 30%.

Business Consultant| IMC AG | Saarbrücken Germany| Jan. 2020 – Jul. 2020

- Utilized Jira and Confluence for project management and documentation in collaboration with Human Resources and product owners to assess organizational Learning and Development (L&D) objectives for newly hired consultants.
- Managed €250K+ in client revenues, overseeing license authentication, LMS configuration, and customized learning diagnostics. Utilized Jira for issue tracking and Confluence for knowledge sharing during the customization process.

E-learning Developer| Robert Bosch | Stuttgart Germany| Sep. 2018 – Feb. 2019

- Implemented a self-exploring learning repository, reducing workload for agile developers and supply chain trainers by 50%.
- Integrated highly interactive e-learning templates and components to facilitate tool and idea sharing among learning developers during regular learning sprints.

EDUCATION

Full Stack Development Bootcamp|WBS Coding School| Berlin, Germany | Jan. 2024 – May. 2024

- Relevant Courses: Data Structures, Unit Testing, Restful APIs, Agile Tools, Databases

Master of Science Educational Technology |Saarland University| Saarbrücken, Germany | 2017 – 2020

Bachelor of Education Adult Education |University of Ibadan| Oyo, Nigeria | 2008 – 2012

INTERESTS

- AI
- Coding
- Reading

Languages

- English – native speaker
- German - B1/B2

CERTIFICATION

- Full Stack Web and App Development | 2023
